## Rebuild Iowa Advisory Commission

The Rebuild Iowa Advisory Commission (RIAC) is a 15-member non-partisan Commission, appointed by the Governor of Iowa. The RIAC was established in the same Executive Order that established the RIO ([June 27, 2008, Executive Order 7](#)). The Members of the RIAC assist the RIO, and through them the Governor, in providing the vision, creativity, and leadership to identify, prioritize, and address the short- and long-term issues of recovery. Members of the Commission served as Task Force Chairs for the nine RIO Recovery Task Forces, helping to facilitate dialogue on complex recovery issues and make recommendations on focused issue areas.
